Why This Guide to Services?

Bay-Arenac ISD's services, resources, and products are the result of Board objectives that are based on our vision of being a leading educational service organization for the benefit of all students. We work closely with educators at every level in every district. And while we work with seven local districts in both Arenac and Bay counties, our shared goal remains the same: Support learners of all ages and abilities.

Bay-Arenac ISD respects your special needs and works with you to preserve what makes you uniquely **Pinconning Area Schools**. Your needs determine many of our services. In the varied roles we as an ISD assume, we value none more than that as your "partner" in preparing all students for their future.

What is Bay-Arenac ISD?

We are a regional educational service agency, one of 57 throughout Michigan, created in 1962 by an act of the Michigan legislature. We serve more than 18,600 public and private school students, their teachers and local district personnel in Bay and Arenac counties.

Who we serve

Our valued customers include: Arenac Eastern School District, AuGres-Sims School District Bangor Township Schools, Bay-Arenac Community High School, Bay City Public Schools, Bay County Public School Academy, Essexville-Hampton Public Schools, **Pinconning Area Schools**, and Standish-Sterling Community School District.

What we stand for

A tagline we at Bay-Arenac ISD strive for is “...*for the benefit of all students.*” We live each and every day on behalf of **Pinconning Area Schools**. Our goal is to provide programs and services that help your teachers make a difference in the lives of their students.

How we are governed

The Bay-Arenac ISD Board of Education consists of seven members who are elected for six-year terms by Bay-Arenac ISD’s constituent districts. Elections are held every two years. The next election is scheduled for June 1, 2009. Board meetings are held the first and third Monday of every month.

Bay-Arenac ISD’s Board of Education sets policy that guides the superintendent and staff in meeting our mission of educational excellence.

Guide to Instructional Services

Staff efforts within Bay-Arenac ISD's Instructional Services focus, first and foremost, on student achievement.

Curriculum Content Teams, representing each local school district within BAISD boundaries, review and design curriculum which is aligned to the Michigan Curriculum Framework, Standards and Benchmarks, and Grade and Course Level Content Expectations, according to a plan developed by the BAISD Curriculum Council. Support services are available to districts and buildings to assist with implementation of curriculum at individual sites.

Bay-Arenac ISD designs relevant, comprehensive and timely professional development to benefit all area administrators and teachers. Presenters include respected experts who address a variety of learning styles and share best practice. Classes and workshops are offered at locations and times most convenient for those we serve. Many sessions are held in the buildings of local school districts.

The Imagination Library

The Imagination Library provides all children in Bay and Arenac counties—age birth to five-years-old—an age appropriate, hard cover book each month until they turn five. Bay-Arenac ISD and educators throughout local school districts in our communities embrace the concept of preschool reading as integral to student success. Reading aloud is one of the most important things parents and care-givers can do for their children.

Facts about Reading to Young People:

- *The key to proficiency in reading is to start early. Begin reading to a child the day he/she is born.*
- *35% of children arrive at kindergarten unprepared to learn. (National data)*
- *Interaction with his/her environment is a key factor in determining the ease with which a child will learn to read.*
- *The more words a child hears, the larger the child's vocabulary. The larger the child's vocabulary, the more likely he/she will be a proficient reader.*

- *A 1991 study showed that parents who were given books...were four times more likely to read and share them with their children*
- *Reading to a baby encourages the child to associate reading with love and comfort.*
- *The more a parent or guardian talks and reads to their baby, the quicker the child will learn.*
- *The report of the Commission on Reading states that “the single most important activity for building the knowledge required for eventual success in reading is reading aloud to children.”*
