

**EVENT:**

***Michigan Model for Health*<sup>®</sup> Grades 4-5 Curriculum Training**

This overview training will focus on the six themes framing the revised Michigan Model for Health Curriculum; nutrition and physical activity, social and emotional health, personal health and wellness, alcohol, tobacco and other drugs, and safety education.

**PRESENTER:**

**Pam Sook, Health, Drug, and Safety Coordinator**

**TOPICS:**

Participants will:

- Create an understanding of philosophy and goals of the revised *Michigan Model for Health*<sup>®</sup>
- Examine the newly revised (2006) grade level manuals, and materials
- Disseminate current health content information; particularly in the area of nutrition
- Develop a comfort level for using the revised curriculum manual
- Preview instructional materials used in the curriculum
- Connect the implementation of school health education across Michigan's core content areas.

**AUDIENCE:**

Fourth-Fifth grade teachers who implement the elementary *Michigan Model for Health*<sup>®</sup> Curriculum
