

**EVENT:****6th Grade Michigan Model for Health[®] Curriculum Training**

This overview training will focus on the six themes framing the revised Michigan Model for Health Curriculum; nutrition and physical activity, social and emotional health, personal health and wellness, alcohol, tobacco and other drugs, and safety education.

PRESENTER:

Pam Sook, Health, Drug, and Safety Coordinator

TOPICS:

Participants will:

- Create an understanding of philosophy and goals of the revised *Michigan Model for Health[®]*
- Examine the newly revised (2009) grade level manuals, and materials
- Disseminate current health content information; particularly in the area of nutrition
- Develop a comfort level for using the revised curriculum manual
- Preview instructional materials used in the curriculum
- Connect the implementation of school health education across Michigan's core content areas.

AUDIENCE:

Sixth grade teachers who implement the elementary *Michigan Model for Health[®]* Curriculum
