“Student Success Thought for the Week 03/08/10 to 03/12/10)

From a Vet Science student: *“You need to work hard to get past what you want to achieve.” --Mia Hamm*

Delta College Collaboration Update

We have one more on-site date for students to complete their Compass Test, Monday March 15th. Students must have their Compass completed or qualifying ACT results on-file with Delta in order to complete their on-line orientation.

On-line orientation sessions will be held at the Career Center March 22, 23, & 24. Please refer to the sheet given out in January regarding the date each program will have its session. Students are encouraged to complete the orientation on their own. Sessions at the Center are meant to help those students that had difficulties or don't have a computer at home. All seniors will attend the last half of the help session to set-up their “shopping cart” of classes for the fall.

Delta College Moving Up Program

Teachers received a memo regarding the Moving Up program Delta College staff is piloting with qualifying Career Center students. Please be sure to share the information with your seniors and have them see Valerie this week if they think they qualify. Students that participate in Moving Up could save themselves and their families a lot of time and money.

Student Success Awards Date Set

Mark your calendars for our annual bestowing of the Success Awards to students that achieved the 10 Indicators of Success. Mark your calendars for Friday, May 7th. We'll be doing all awards that date, with programs grouped in clusters. The large group pond picture will be taken at 10:05/2:05. Look for more details later in April.

Success Friday

Friday, March 12th, is our next Success Friday. Those students that were selected Students of the Month for February will receive their certificates at the beginning of class.

At break time we'll be announcing the morning and afternoon class that won the Attendance Challenge for the 4th 6-week period. Staff is encouraged to wear their Student Success t-shirts that day and to also have their student awardees from last year wear their t-shirts.
