

High School Data Retreat...

Analyzing Your Spring 09 MME Results

A morning session with "Data Dr." Dave Buell that is designed for principals and department chairs to analyze and dig into their MME results. Using a customized MME Leadership Guide, participants will move from analysis to action as strengths and challenges are examined.

Participants will

- analyze their MME data from Spring 09.
- discuss implications of the results and identify strength and challenge areas.
- determine critical next steps in moving from analysis to action.
- Use information in planning
- Learn about a new Data for Student Success MEAP query tool
