

Gearing Up to Conduct MiPHY Student Survey: An Administrators Refresher

November 23, 2009

Video Conference in Bay-Arenac ISD Academy Room

9:30 – 11:30 a.m.

Facilitators: Pam Sook, Health, Drug Free, and Safety Coordinator

Narrative: The window for schools to conduct the MiPHY survey is this school year. The video conference will provide updated and technical information to middle and high school principals and others about conducting the MiPHY survey in their buildings from pre-survey technical preparation to administration.

Audience: School Administrators, technology designees, and counselors.

Outcomes: Participants will gain knowledge and skills to be able to effectively conduct the MiPHY survey in their building.

Registration Deadline: All registrations must be received online by November 18, 2009
