

Beyond Procedures:

Cultivating Deep Number Sense in Secondary Mathematics

Register Now!

DATES

October 12, 2026
November 10, 2026
December 17, 2026
January 11, 2027
February 23, 2027
March 24, 2027

LOCATION

Bay-Arenac ISD
ESC Building

TIME

8:30 am-3:00 pm

COST

Cost for this series:

\$150 in district
\$300 out of district

Includes materials
and lunch

FACILITATOR

Led by a Strategic Intervention Solutions team member

TEACHERS WILL:

- **Deepen Mathematical Understanding:** Move beyond rote procedural fluency to strengthen students' number sense across grades 6–12.
- **Engage as a Learner:** Experience firsthand rich, classroom-ready thinking tasks that promote reasoning, flexibility, and conceptual growth.
- **Master Mathematical Discourse:** Explore practical structures and routines that elicit student thinking and make it visible in your classroom.
- **Focus on Practical Application:** Dedicate time to plan for real-world implementation and reflect on high-impact instructional moves.

TEACHERS WILL TAKE AWAY:

- A curated collection of **high-quality, classroom-ready tasks**.
- Effective **instructional strategies** to foster deeper student engagement.
- Practical **tools and routines** to support ongoing student success and mathematical growth.
