Upgrade Your Tech Toolkit at December Demo Day!

This virtual event features fast-moving, back-to-back high-impact demonstrations from leading EdTech and AT vendors. Each 30-minute session is designed to give you practical, immediate insights into tools that support student success, allowing you to discover everything from cutting-edge AAC solutions and alternative access to inclusive classroom tech. Best of all, you can enjoy complete hop-on, hop-off freedom—there is no need to stay all day, so you can simply join virtually whenever a session fits your schedule and matches your interests.

Register to receive more information and the final schedule when available!
