Windows			94"x 68"	3	133.17				
All Exterior Doors with Window Openings		Office windows	20"x 60"	6	50				
				86	1155.24				
No need to put film on the areas above a door									
The healthwing classrooms have tinting on all of the windows--no idea if they are also break resistant already									
There are many exterior doors to the classrooms that have a small window that is big enough to break out and open the door using the panic bar
